

## WiFi Access

Welcome to SacWireless! This resource is provided as is. It is the responsibility of each user, not the City of Sacramento, to protect their computer against any potential abuse such as viruses, malware and breach of privacy. City of Sacramento assumes no responsibility for any direct or indirect damages arising from the use of its connection to the Internet. It is the patron's responsibility to ensure that their equipment is functioning and properly configured. The City of Sacramento will provide written instructions on how to connect to this network, however staff cannot provide any technical help with configuring user equipment. Because this is a shared resource, the speed of your connection may vary depending on, but not limited to, factors such as your distance from the access point, the number of users currently connected, the status of your own equipment, etc. It is prohibited to use the City of Sacramento's public wireless network for illegal, actionable, or criminal purposes or to seek access into unauthorized areas. Infringement of copyright is prohibited. In order to protect its network and users, the City of Sacramento reserves the right to terminate a connection at any time without further notice. In extreme cases, the City of Sacramento may withdraw, at any time and without further notice, all wireless services. To access the Internet you must agree to this notice. If you do not agree simply disconnect from this wireless network.
